### THE PROBLEM

- Average personal credit card debit to **\$15,200**.
- **78%** of U.S. workers living paycheck to paycheck.
- **6%** Unemployment with industries transforming, finding another job isn't easy as before.
- Millions lost health insurance, & average cost of healthcare skyrocketed to **11,582/yr**.
- Daily expenses have seen a sharp hike of **5.4%**, further straining already tight budgets
- Feeling the weight yet? It's real, it's personal, and it's affecting households just like yours.

The immediate consequences are evident, but...

HAVE YOU PAUSED TO  
PONDER THE LONG-TERM  
RAMIFICATIONS?

Dreams of secure retirements, pursuing passions, vacations, or simply hoping for a life where the end of the month doesn't bring palpitations, are rapidly fading.

If action isn't taken, what does your financial future look like?

We go through 14,000 hrs of education and never taught about Health, Finances, Relationships, Parenting, Communication and other Mission-Critical life skills

**14,000  
HOURS**

When we are thrown into life that's where we fail to swim. It's like being dropped 2 miles off shore in the ocean with a two mile an hour current pushing you away from shore. If you don't know how to swim, and swim at 3 miles per hour you will drown.
